

FACILITY AND MERCHANDISE AUTHORIZATION APPLICATION

Attached is the Facility and Merchandise Authorization (“FAMA”) Application that must be completed for each Facility.

- h Please make as many copies of the attached FAMA Application as necessary so that you can complete a FAMA Application for each Facility
- h Once the FAMA Application is completed for each Facility, please send in softcopy to:

Melinna Chandra – email: Melinna.Chandra@disney.com	
--	--

- h Disney will verify the information and determine whether each Facility will be allowed to produce Licensed Products.
- h For those Facilities that are allowed to produce Licensed Products, you must provide a copy of Disney’s Code of Conduct for Manufacturers, or another Code if agreed to by Disney (and any relevant translation) for the Facility’s acceptance and covenant to comply.
- h You may begin production of Licensed Products as authorized under your applicable agreement with Disney, once you receive the signed FAMA from Disney.
- h You also may present the signed FAMA to Customs officials to facilitate the importation of goods if the Facility is outside the territory where the Licensed Products are to be sold. Emergency Customs letters will no longer be issued.

Definition of “Facility”: any of Licensee’s own or third-party manufacturers, vendors, factories, suppliers, and other facilities (as well as any sub-manufacturers, vendors, factories, suppliers and other facilities) that design, produce, process, finish, assemble, or package Licensed Products, components of Licensed Products, PA Material, labels, hang-tags, or any other item related to the Licensed Products, or that assemble a final product including one or more Licensed Products.

Do NOT list facilities that only produce generic items such as cardboard boxes, plastic wrap, or plain buttons UNLESS these components contain any Disney proprietary material. Unless they are involved in the actual production or manufacture of Licensed Products, do NOT list agents, business offices or showrooms as a Facility. The Shipper and/or Importer of Record is strictly the party who transports the goods; if the name is different from that of the Licensee/Vendor or Facility, please so indicate on the FAMA Application.

Incomplete or illegible forms will be returned to you for resubmission. Please make copies of these forms and use the copies to submit your information. Maintain the original in your files for future use.

***** AS A GUIDELINE, PLEASE NOTE THAT DISNEY ILS REQUIRES AT LEAST 2-3 WEEKS BETWEEN RECEIVING YOUR COMPLETED FAMA REQUEST FORMS AND**
